# The Divine Word

Renè Pache – The Inspiration and Authority of Scripture

“The God of the Bible is the God who speaks. From the creation on through the entire history of His people, He reveals Himself by speaking. He spoke, and out of nothing the universe sprang forth... John declared of Christ, who became incarnate for our salvation, revealing to us the Father: “In the beginning was the Word, and the Word was with God, and the Word was God. And the Word became flesh” (John 1:1, 14). The Lord, who is both light and love (1 John 1:5; 4:8), takes pleasure in making Himself known to His creatures. He expresses His nature, His thoughts, His will and His plans. He explains His work, past and present; and He announces His future acts and His ultimate triumph.”
