News and Prayer Requests from the Free Presbyterian Churches of North America

REV. ANTHONY D'ADDURNO
Barrie Free Presbyterian

**Barrie,
Ontario**

Rev. Anthony D'Addurno has announced to the congregation in Barrie that he will be retiring in October. Please pray for his replacement and that the Lord will soon reveal who is to be the new minister for Barrie. Mr. D'Addurno and his family plan to continue attending the Barrie church after he retires. A retirement dinner is scheduled for October. Pray for the Lord to undertake for congregation and that He will add to the church such as should be saved.

The church had a visit from Rev. Andrew Fitton (Cloverdale FPC), who preached an encouraging message to the people in the Barrie church. The also enjoyed getting to hear Rev. Ian Brown, moderator of the FPC of Ulster, who was in Toronto for the Ministers' Week of Prayer in May.

Continue to pray for some sick folks in the church and some who are feeling their age. Also remember the LTBS radio ministry as God's Word goes out by radio.

REV. PHIL OWEN
Berean Free Presbyterian

**Boston,
New York**

Paul and Sheila Munger and their family have been attending Berean FPC while they are in the area for a couple of months. Rev. Phil Owen says they've been a gift to the church this summer.

Rick and Margaret Hunt were blessed to have their three sons in a service recently. Jon, who lives in Canada, preached; Philip is from Tennessee and Alex is from Wisconsin. Dan Breindel, an elder, conducted a graveside service for the family of a former GM colleague. Do pray for the Heims family, that the Lord will do them good.

A deaf man named Kevin recently visited the church from three hours away, looking for a Reformed church that uses the AV. He and the church were delightfully surprised to learn that Margaret Hunt knows sign language! Kevin hopes to visit again soon.

Do pray for the conversions of colleagues at the Springville Bus Garage, where Mr. Owen works, as well as of the children who ride his school bus and their families. Please pray also for the outreach ministry at the church's annual free car wash and lunch in August.

REV. NATHAN McVEIGH
Calgary Free Presbyterian

**Calgary,
Alberta**

Rev. Nathan McVeigh says the Calgary church continues to be encouraged by its Sunday school and men's meeting ministries which are now on a break for the summer months. Pray that God would save the children of the church early in life. Please also pray that the men of the congregation would be strengthened in their faith and that God would raise men up for office, particularly eldership.

Melissa McVeigh was pleased to commence a ladies' meeting over the past couple of months which has been an encouragement to her. Please pray that the Lord would encourage the ladies of the congregation and that they would be a help to one another.

Please pray for the Western Bible Conference being held in Cloverdale July 31–Aug 2. Pray for Rev. Logan Elder as he preaches and for those who travel to attend the conference.

REV. LALO PEÑA
Coram Deo Free Presbyterian

**Córdoba,
Mexico**

June 18–25 the Peña family visited the mission churches in Jalpan de Serra, Querétaro, and La Escalera, San Luis Potosí, where Wenceslao Hernández and Pepe Luna serve under the care of the presbytery. It was a time of great blessing and mutual edification with their families and the brothers and sisters of the congregations. Please pray that they will grow in grace and knowledge.

At the beginning of July, Rev. Lalo Peña was invited to the ninth birthday celebration of Pablo Cotlame, the son of a couple Mr. Peña married twelve years ago and the grandson of Faustino Cotlame, a member of the church. The occasion gave Mr. Peña the privilege of preaching the gospel to about one hundred people. May God bless the Word preached.

The church is preparing for its summer Bible school to be held August 17–21 with the theme "The Armor of God." They hope to have children from their neighborhood attend. Mr. Peña says, "Your prayers are crucial."

In the Lord's will the Peñas will be traveling to the United States so that their sons Uriel and Gadiel can attend the FP Youth Camp July 18–25. Please pray for a safe and blessed trip and stay. Uriel Peña, who is eighteen, will also be part of the mission team visiting the Dominican Republic in August. Pray that the Lord will make the trip a blessing to those who minister as well as those to whom they minister and that He will provide the financial means for the trip.

The church people continue to invite their family and friends to visit the church and hear the gospel. Pray with them that God will save more souls.

REV. FRANK D'ADDURNO
Frederickton Free Presbyterian

**Frederickton,
New Brunswick**

Frederickton FPC has been greatly encouraged by the visitors that have been coming in. Please pray that the visitors will feel led to continue to come and to support the work. Among them has been a young couple that has been attending and participating in the work for some months now. Please continue to pray for more young people to join and support the work as well.

Frederickton FPC would like to thank those who are praying for the work. They have been encouraged by what the Lord is doing. Please continue to pray that the Lord will provide someone to play the piano for the morning services.

REV. ARMEN THOMASSIAN
Faith Free Presbyterian

**Greenville,
South Carolina**

Faith FPC's vacation Bible school in June went well with good attention from the children. An army of workers of all ages labored joyfully together to make the week happen. Pray with them that the Lord will apply His Word to the hearts of the children and transform them for His glory.

During summer Sunday school, Dr. Jordan Jueckstock, who teaches computer science at BJU, is doing a helpful series on technology and the Christian. The messages are available on Sermonaudio.com. Rev. Armen Thomassian is holding a summer Sunday school class for young married couples.

The church family enjoyed its annual Fourth of July picnic on July 3. A large group from the Winston-Salem church as well as many other family members and friends attended. On the Sunday before the Fourth, Pastor Thomassian preached a sermon titled "America at 250: Her Blessings, Battles, and Banner." It combined thanksgiving to God for America's gifts, reflections of an outsider on her challenges and dangers, and a recognition of her only hope for a prosperous and blessed future.

Please pray much with the church family for the youth camp to be held July 18–25 as final preparations are underway. Pray for God to work mightily in the lives of all the young people who attend.

REV. SEONGKYU LEE
Gwangmyeong Faith Free Presbyterian

**Gwangmyeong,
South Korea**

The Korean church continues to be actively involved in evangelism once a month. In the past they reached out to people by distributing gospel tracts along with packets of wet wipes on the streets. Recently, they have begun visiting apartment complexes and residential neighborhoods. In Korea, it is not easy to engage people in conversations about faith, so their evangelism is often limited. Pray that God will strengthen the outreach and bring forth lasting fruit from it.

Since June, Rev. Seongkyu Lee has begun a new series of sermons and Bible studies in Ephesians, Exodus, and 1 Corinthians. His prayer is that through these studies the church members will develop a deeper understanding of the church and become a congregation that is united in the Holy Spirit—sharing the same mind, the same purpose, and speaking with one voice. They are increasingly convinced that spiritual growth and maturity are essential for Christians to be faithful witnesses of the gospel. Please pray that the congregation will stand firmly upon God's Word.

The church will be holding its first VBS this summer. Please pray for them as they take on this ministry and ask the Lord to use it to save children and to bring people into the church.

REV. GEOFF BANISTER
Indianapolis Free Presbyterian

**Indianapolis,
Indiana**

The Indianapolis church family is looking forward to the wedding of Bobby Rowe and Rachelle Nymann at the end of August. The church family (especially the Banisters) were blessed to have recent visits from Caleb and Katie Worpell (Greenville) and Nolan and Alyssa Bowman (Winston-Salem). Please keep Alyssa in your prayers that she'll carry her baby safely to term and that the child will be healthy and well. Pray also for the child's salvation at an early age.

The church family enjoyed a time of patriotic fellowship on Friday, July 3. The heat was oppressive enough to keep everyone in the church building for most of the time, but as the sun set, the temperature dropped enough for the church's fireworks display.

The church family is very grateful that the tide has begun to rise for Danny Worpell's landscaping business. Please pray that the Lord will continue to bring in more work.

REV. MARK FINEOUT
FPC of Lees Summit
**Lees Summit,
Missouri**

Rev. Mark Fineout reminds us that the lease for the meeting place of the Lees Summit church is up for renewal in October. Please pray with them for guidance from the Lord to know what to do. They expect an increase in the rent that would be a hardship for the church.

Pray for those of the congregation who because of poor health are now shut-ins. Pray also for the Lord to help the church people know how to share the gospel better in an increasingly dark city.

REV. STEPHEN POLLOCK
FPC of Malvern
**Malvern,
Pennsylvania**

The Malvern congregation is thankful for answered prayer during Rev. John Wagner's visit in June. The Lord blessed his ministry. Rev. Stephen Pollock has resumed preaching responsibilities and would appreciate prayer for grace and strength to preach the Word.

The FP Youth Camp is fast approaching. Rev. Adam Eshleman will preach in Malvern on July 19, as Pastor Pollock serves as camp director. Please pray for Mr. Eshleman's ministry in Malvern and for the Lord's blessing on the camp ministry.

In addition to praying for the regular ministry of the Word, please also remember the weekly radio program which airs twice on the Lord's Day. Finally, please pray for several senior church members who are no longer able to attend the services in person.

REV. JASON BOYLE
Iglesia Cristiana El Redentor
(Redeemer Christian Church)
**Mexico City,
Mexico**

The Latin American churches are having their family Ministers' Week of Prayer July 6–10. They ask for prayer for the Lord's working especially in the times of preaching and prayer. Two ministers and their families cannot attend because of financial and travel difficulties. Please pray that in the future they would be able to get away and attend the Weeks of Prayer along with the others.

The Mexico City church is having its VBS July 20–24. Please pray for many children to attend, for the gospel to be clearly communicated, and for lasting fruit in the families in the community.

The Boyle family were able to enjoy a vacation in June and are thankful for the refreshing time away. They are also thankful that Caleb and Jonathan have appointments for their U.S. citizenship on July 29th. Please pray that all will go well and that all the paperwork will be in order.

REV. CRAIG VOSEKALNS
Phoenix Free Presbyterian
**Peoria,
Arizona**

On Saturday, June 13, at the Morrow Activity Hall, Rev. Craig Vosekalns had the joy of baptizing his son, David. Soon after, the Vosekalns family headed east to take David to Annapolis, Maryland, where he started at the Naval Academy on June 25.

The church enjoyed a visit from the McKee family from Northern Ireland while the McKees were on vacation. Their presence was extremely encouraging to the congregation in Phoenix. Mr. Vosekalns invited Esther McKee, who attended the Whitefield college, to give her testimony during the evening service. Esther has a tremendous testimony of God's healing power in her life.

Please continue to pray for the elderly and the shut-ins of the church. Mr. Vosekalns is interested in starting a Spanish outreach ministry. Please pray for the Lord's leading.

DR. LARRY SAUNDERS
Interim Moderator
Port Hope Free Presbyterian
**Port Hope,
Ontario**

Please continue to pray for the church in Port Hope as intern minister Mr. Daniel Sima'an takes the weekly services. Pray for the continued growth of God's work in Port Hope and for His hand to be on the various evangelistic outreach endeavors into the community with the distribution of tracts and copies of the Gospel of John. Please pray for visitors and committed families to come into the church from the town of Port Hope and the surrounding communities.

Please continue to pray for Rev. Reggie Cranston as his health declines. Also pray for Mr. Alec Brown, who is suffering with lung disease, and Mrs. Donna Hicks, who has upcoming hip surgery.

Please pray especially with the congregation for the Lord to send a full-time pastor to the work in Port Hope. They need the Lord to work and send times of refreshing from His presence.

REV. ANDREW SIMPSON
Heritage Free Presbyterian
**Prince George,
British Columbia**

July is VBS month in the Prince George church. About forty children are expected to attend VBS July 6–10. The theme is the parables of Jesus. Rev. Andrew Simpson is grateful for all who have volunteered to help. Pray for lasting fruit.

Please also pray for the Western Canada Bible Conference to be held July 31–August 2 at Cloverdale FPC in British Columbia. A good representation from the churches is expected and Mr. Simpson says they long to have the presence of God made known among them in a mighty way. Pray for Rev. Logan Elder as he ministers the Word.

In August Mr. Daniel Sima'an will be covering the pulpit in Prince George for two Sundays while the Simpson family is away.

REV. RAMÓN SOSA
Palabra de Vida IPL (Word of Life FPC)
**Santo Domingo,
Dominican Republic**

The Sosas thank the Lord for answering prayer concerning the financial needs they had as a result of Wendy's eye infection. They express their heartfelt gratitude to those who contributed financially and equally to those who faithfully prayed for them. Please pray for Wendy as she continues to recover from toxoplasmosis.

Preparations are underway for vacation Bible school August 3–7 with Rev. Derrick Bowman, his wife, Lydia, and the mission team coming with them. The congregation seeks God's provision and blessing over this outreach.

A young man named Luis, whom they have been discipling, has been prohibited by his family from attending church and discipleship meetings under threat of losing financial support for his postgraduate dental studies. Although employed, he still depends on his parents for this assistance. Pray for wisdom and grace for him in this difficult situation. Five others in the discipleship process remain steadfast, and interviews with the pastor and the interim consistory elders are moving forward. They also received a visit from a young man connected to Brother José Miguel who has expressed interest in learning more about the church. Please pray the Lord would draw him.

Pray for the upcoming CEPVI enrollment cycle for the 2026–27 school year. Their goal is to reach seventy children in the preschool and daycare program, and they seek the Lord's provision as they continue serving the community and work to build a strong staff team, including new hires.

Please pray for the Sosas' daughters, Esmirna and Rachel, asking for the Lord's preservation of their spiritual, emotional, and physical wellbeing. Finally, pray for spiritual awakening and revival within the church, and for the pastor to be granted anointing and wisdom to proclaim the gospel clearly and effectively to the community they serve in the Dominican Republic.

REV. MYRON MOONEY
Trinity Free Presbyterian
**Trinity,
Alabama**

The Trinity congregation continues to rejoice in the Lord's blessings. A young husband and father who began visiting after the Week of Prayer is actively seeking the Lord for himself and his family. Please pray for his conversion and his household. A family of four joined the communicant membership at the May communion service. Mycah Gilbert Frank's birth on June 5 to Jacob and Kelly has brought much joy to the family and church body. Kelly and Mycah are doing well. Mr. Mooney is grateful for Mr. Bobby Rowe's ministry on June 14 when the Mooneys were out of town.

Please pray for upcoming events: the wedding of Miss Danielle Rowe and Mr. Talon Neal on Saturday, July 11; ten campers and four staff going to youth camp; the ordination of elder-elect Jacob Frank on Wednesday, August 5; and the annual For God & Truth Conference to be held August 6–9 on a biblical work ethic. Also pray for several with physical needs: Andy, who needs a kidney transplant; William, home after hospitalization; Brent and Hannah, who are recovering from surgeries. Please pray for some who are bereaved: Agnes, who lost her mother, and Jill, a young friend of the church whose husband passed away in May. Jill gave birth to healthy twins on June 24.

REV. ANDREW SIMPSON
Overseeing Minister
Williams Lake Free Presbyterian
**Williams Lake,
British Columbia**

Williams Lake will host its annual VBS July 20–24. A team of volunteers has been put together from four of the Western Canadian Churches to help: Caleb and Yvonne Struck (Calgary FPC), Miss Kezia Struck (Calgary FPC), Jude Poulin (Prince George FPC), Miss Kristen Escobar and Mr. Gene Escobar (Cloverdale FPC) and Rev. and Mrs. Andrew Simpson (Prince George FPC). The team will also be doing some maintenance on the church building and some outreach in the local area. Please pray for the Lord's blessing on the week.

REV. REGGIE KIMBRO
REV. DERRICK BOWMAN
Associate Minister
Grace Free Presbyterian
**Winston-Salem,
North Carolina**

Rev. Reggie Kimbro asks prayer for the good group of campers as well as several staff from the Winston-Salem church that will be attending the youth camp. Please pray for all of the preparations as well as for safe travels and most of all for there to be great spiritual benefit for these labors.

Pray as well for Rev. and Mrs. Derrick Bowman as they will again lead the summer mission team in early August. This year they and the team will travel to the Dominican Republic to help the work there in various ways.
